

And you see, I kind of shivered to conformity, did you see  
The way I cowered to authority? You see  
And my life, it's a series of compromises, anyway it's a shame  
And I'm conditioned to accept it all, you see

Than I had before, than I've presently got  
Than I'll ever use up, than I really need  
Than I had before, than I've presently got  
Than I'll ever use up, than I really need

Than I had before, than I could possibly spend  
Than I'll ever use up, than I really need  
Than I had before, than I could possibly spend  
Than I'll ever use up, than I really need

It's more than I can spare  
My religion is caged

Safe from progress, purgatory I know  
How does this affect me? Emotionally affect me

Will they let me go?  
Will they let me go?  
Will they let me go?  
Equilibrium imbalanced again

I feel no pain  
I feel no  
I feel no pain  
Jabberwocky haunts me, in my memory it's caged

I feel no pain  
I feel no  
I feel no pain  
Jabberwocky haunts me, in my memory it's caged

I feel no pain  
I feel no pain  
I feel no pain  
But if you punched me in the stomach, then I'd feel it again

Feel no pain  
I feel no  
I feel no pain  
But if you punched me in the stomach, then I'd feel it again

Life is a compromise anyway  
Life is a compromise anyway  
Life it's a compromise anyway  
Life it's a compromise anyway  
It's a sham and I'll accept it all

Life is a compromise anyway  
Life is a compromise anyway  
Life it's a compromise anyway  
Life it's a compromise anyway  
And it's a sham and I'll accept it all

And you see, I kind of shivered to conformity, did you see  
The way I cowered to authority? You see  
And my life, it's a series of compromises anyway  
It's a sham and I'm conditioned to accept it all, you see

Than I had before, than I've presently got  
Than I'll ever use up, than I really need  
Than I had before, than I've presently got  
Than I'll ever use up, than I really need

Than I had before, than I've presently got  
Than I'll ever use up, than I really need  
Than I had before, I've presently got  
Than I'll ever use up, than I really need

Than I had before, I could possibly spend  
Than I'll ever use up, than I really need  
Than I had before, I could possibly spend  
Than I'll ever use up, than I really need

Than I'll ever use up, than I really need  
Than I had before, than I've presently got  
Than I'll ever use up, than I really need  
It's more than I can spend  
[Incomprehensible]
