

Skin Up Pin Up

Mansun

Sniffalys, sniff on this
My skin up pin up, oh yeah
Monday to friday, nobody's seen ya'
Amphetamina

Oh, if I see you would you stop and say hello
Oh, if I kiss you would you run straight up my nose
Oh, skeletina say hello

We'll take you all on again

Sniffalys, put on this
My skin up pin up, oh yeah
Pick up a lady, tin foil in waiting
Stops me from aching

He's my only passion, oh yeah
He's my only passion, no yeah
