

# Mama Call

Manu Chao

Can't you hear me mama call  
Can't you hear me crawling  
Can't you hear me mama call  
Can't you hear me trying  
Can't you hear me when I call

I'm a long way from sight  
Tonight tonight  
It's a long long night  
Tonight tonight  
It's a long long night

Can't you see me baby fly  
Can't you see me falling  
Can't you hear me when I call  
Can't you see me fall  
Can't you hear me mama call  
Can't you hear me mama call

Tonight tonight  
It's a long long night  
Tonight tonight  
It's a long long night

Can't you hear me mama call  
Can't you hear me crawling  
Can't you hear me when I call  
Can't you see me fall  
Can't you hear me mama call  
Can't you hear me mama call  
Can't you hear me mama call

Me hielo en la habitación  
No tengo calefacción  
Can't you get no satisfaction  
So me bajo pa la calle  
It's a long long night

Can't you hear me mama call  
Can't you hear me crawling  
Can't you hear me call  
Can't you hear me falling  
Can't you hear me fall  
I'm a long way from home
