

Promiscuity

Manu Chao

Too much too much promiscuity
Can drive to insanity
Say too much too much insanity
Can drive criminality

Say oh set me free
Oh let me be
Too much too much promiscuity
Can drive to calamity

Too much too much hypocrisy
Can drive to academy
Too much too much morality
Can drive to criminality

Say oh set me free
Oh let me be.
Too much too much hypocrisy
Can drive to calamity

Oh set me free
Oh let me be
Oh set me free
Oh let me be
Oh set me free
Oh let me be

Too much too much williwili
Can drive to big family
Too much too much morality
Can drive to the flies and bee
