

Come Here

Marble Sounds

There's a wind that blows in from the north
And it says that loving takes this course
Come here
Come here

No, I'm not impossible to touch
I have never wanted you so much
Come here
Come here

Have I never laid down by your side?
Baby, let's forget about this pride
Come here
Come here

Well, I'm in no hurry
You don't have to run away this time
I know that you're timid
But it's gonna be all right this time

There's a wind that blows in from the north
And it says that loving takes this course
Come here
Come here

Come here
Come here
