

# Happy Heart

Marc Almond

There's a certain sound, always follows me around  
When you're close to me, you will hear it  
It's the sound that lovers hear finally will discover  
When there is no other for their love  
It's my happy heart you hear  
Singing loud and singing clear  
And it's all because you're near me, my love  
Take my happy heart away  
Make me love you, make my day  
In your arms I want to stay, oh, my love  
Feeling more and more like I've never felt before  
You have changed my life so completely  
Music fills my soul now, I've lost all control now  
I'm not half, I'm whole now with your love  
It's my happy heart you hear  
Singing loud and singing clear  
And it's all because you're near me my love  
Take my happy heart away  
Make me love you, make my day  
In your arms I want to stay, oh, my love  
It's my happy heart  
Can't you hear my happy heart in love?  
It's my happy heart, my happy heart you hear  
In your arms, in your arms I wanna stay  
Oh, my love, oh  
In my happy heart  
Oh, won't you be, won't you be my happy heart
