

I Close My Eyes And Count To Ten

Marc Almond

It isn't the way that you look
And it isn't the way that you talk
It isn't the things that you say or do
Make me want you so
It is nothing to do with the wine
Or the music that's flooding my mind
But never before have I been so sure
You're the someone I dreamed I would find
It's the way you make me feel
The moment I am close to you
It's a feeling so unreal
Somehow I can't believe it's true
The pounding I feel in my heart
The hoping that we'll never part
I can't believe this is really happening to me
I close my eyes and count to ten
When I open them you're still here
I close my eyes and count again
I can't believe it but you're still here
We were strangers a moment ago
With a few dreams with nothing to show
The world was a place with a frown on its face
And tomorrow was just, I don't know
But the way you make me feel
The moment I am close to you
Makes today seem so unreal
Somehow I can't believe it's true
Tomorrow will you still be here?
Tomorrow will come but I fear
That what is happening to me
Is only a dream
I close my eyes and count to ten
And when I open them you're still here
I close my eyes and count again
I can't believe it but you're still here
I close my eyes and you're still here
I can't believe it, no, no, no, you're still here
And I count to ten
I close my eyes
I can't believe it, no, no, no, you're still here
You're still here, you're still here, you're still here
You're still here, you're still here, you're still here
