Marc Almond

Hey show me your love  
I've a satin smile  
And a velvet glove

Lead the way  
Hand in hand  
On a midnight drive  
To Pleasureland  
If you give me your love  
I'd do it for you  
I'd dance on the moon  
On a starlight high  
Under midnight skies  
So put my name in lights  
At the Alhambra
