

Everything You Do

Marc Anthony

I love the way you smile when I look in your eyes
I love the way you laugh when I try to be funny
And how the tears roll down your face
When I say no one could ever take your place

R: Cause baby when you sleep I watch you breathing
Baby when you dream I dream with you
Cause everywehre you are is where I want to be
it's true
Everything you do makes me know how much I love you

The way you touch my lips right after every kiss
And softly whisper that I'm your everything
The way you pray our love won't die
Everynight just before you close your eyes

R:

And I believe some things are meant to be
Sure as there is love yours was meant for me

R:
