

# Make It with You

Marc Anthony

I wanna love you  
for the rest of my life  
te quiero tanto

Hey, have you ever tried  
really reaching out to the other side  
I may be climbing on rainbows  
but baby here goes

Dreams they're for those who sleep  
life is for us to keep  
And if you're wondering  
what this song is leading to, hey  
I want to make it with you  
I really think that we can make it, girl

No, you don't know me well  
And every little thing only time will tell  
If you believe the things that I do  
we'll see it through

Life can be short or long  
love can be right or wrong  
and if I chose the one I'd like  
to help me through  
I want to make it with you  
I really think that we can make it

Dreams they're for those who sleep  
baby, life is for us to keep  
and if you're wondering  
what this song is leading to, hey  
I want to make it with you  
I really think that we can make it

Hey, baby

Ehhhhh  
acariciame  
I really think  
I really think that we can make it
