

She's Been Good to Me

Marc Anthony

R: Girl I see how you're looking at me
and I must say you're looking sexy
but the truth is my baby has been good to me
girl the way that you move's so tempting
gotta say that I like what I see
but the truth is my baby has been good to me

Friday, I saw you looking my way
I know that you've been wanting me
I can see it in the way you've been taunting me
your eyes make it hard for me to walk away
when the truth is I want to stay
all I gotta say is girl there's just no way

R:

In my mind I've made love to you a thousand times
but that is where I draw the line
I could lose everything that it took so long to find
let me be as clear as I could be
though you do what you do to me
I gotta tell you girl there's just no way

R:

She's been good to me
she's the only one who ever really stood by me
she believes in me
she's the only one who ever took a chance on me
so girl there's just no way
