

# Christmas Bop

Marc Bolan

Christmas, t.rexmas, christmas  
Everybodys gotta do the x-mas bop, yea

Hey baby lend me your ear  
X=mas time is drawing near  
Get out your silk jeans and your space shoes  
I've got some sweet wild devastating news

X-mas here comes the sun  
X-mas we gonna have some fun  
X-mas gonna dance till we drop  
Everybodys gotta do the christmas bop

Repeat chorus & next verse
