

# Nameless Wildness

Marc Bolan

I wouldn't lie

You're like a sanctuary,  
A poet's memory  
I wouldn't lie

A universe of happiness  
Beneath your be-bop dress  
I wouldn't lie

And I love you, and I love you  
'Cos you're my nameless wildness

You're like a precious book,  
A stolen golden look  
I wouldn't lie

So keep your consciousness  
Volcanoes in my breast  
I wouldn't lie

And I love you, and I love you  
'Cos you're my nameless wildness

I wouldn't lie, I wouldn't lie  
'Cos I love you, and I love you  
'Cos you're my nameless wildness
