There was a time Everything was fine You got drunk on the day That the heat was white And all the children they put flowers in their hair And all the grown-ups they put daggers in their stare... Baby I've got metal knees ooh. Lady I'm beggin' of you please Baby you think you're a champ but Girl you ain't nothin' but a raw ramp. Lady, your lips are the most Baby, your mouth is like a ghost Lady, you think you're a champ but Girl you ain't nothin' but a raw ramp. Woman, I love your chests ooh, Baby, I'm crazy 'bout your breasts Woman, you think you're a champ but Girl you ain't nothin' but a raw ramp Baby I've got metal knees ooh. Lady I'm beggin' of you please Baby you think you're a champ but Girl you ain't nothin' but a raw ramp. Baby, I love your chests ooh, Lady, I'm crazy 'bout your breasts Woman, you think you're a champ but Girl you ain't nothin' but a raw ramp You ain't nothin' but a raw ramp... Standin' on a corner by my old high school, I let this female call me a fool I got on my knees and begged to the sun And I knew that my manhood had begun Boogie on, electric boogie, boogie on Embrace your brother, dance in the mud Like a Palamino stud Come along hold my hand.
