

Solid Baby

Marc Bolan

Oh baby who's a solid baby who's gonna love me tonight
Oh baby who's a solid baby who's gonna love me tonight
Tonight.... who's gonna love me tonight

Oh baby I'm a tempest baby I'll be your stoned king tonight
Oh baby I'm a tempest baby I'll be your stoned king of light
Tonight yes tonight

(solid baby who's a solid baby) well don't you know that I am
(solid baby who's a solid baby) can't you hear me crying
(solid baby who's a solid baby) oh it's got to be me
Solid baby who's a solid baby who's gonna love you tonight
Solid baby who's a solid baby please treat me right
Tonight.... yes tonight

(solid baby who's a solid baby) well don't you know that I am
(solid baby who's a solid baby) can't you hear me crying
(solid baby who's a solid baby) d-d-d-d-d-d-d-d-
don't you love me baby
(solid baby who's a solid baby) don't you know you drive me crazy
(solid baby who's a solid baby) can't you hold me there
(solid baby who's a solid baby) please don't you know your eyes
ain't there
