

You don't seem to mind spendin' my money  
We only hang out when you have time  
If this is a joke, it's no longer funny  
Who do you think I am  
I'm trying to understand  
So I got ask you

Why did you wanna keep me believin'  
You are feelin'  
Something we'll never be  
I heard you laughin' while I'm leaving  
It's bad enough I've been the fool  
So why you gotta, why you gotta be cruel  
Why you gotta be cruel

Girl I thought by now the games would be over  
But it's safe to say I've never been so wrong  
You could've saved us time if you'd just said never  
They say loves not fair  
No, I shouldn't care  
But I got to ask you

Why did you wanna keep me believin'  
You are feelin'  
Something we'll never be  
I heard you laughin' while I'm leaving  
It's bad enough I've been the fool  
So why you gotta, why you gotta be cruel  
Why you gotta be cruel

I'm lookin'  
For somethin'  
Someone who can give a little more to nothin'  
Let's call this what it really is  
Baby, I'm done  
Baby, I'm done askin'

Why did you wanna keep me believin'  
You are feelin'  
Something we'll never be  
I heard you laughin' while I'm leaving  
It's bad enough I've been the fool  
Why you gotta be so cruel
