

I've Been Loving You Too Long

Marc Broussard

I've been loving you too long
To stop now

You were tired and you wanted to be free
My love is growing stronger
As you became a habit to me

Yeah, I've been loving you a bit too long
I don't wanna stop now

With you my life has been so wonderful
I can't stop now

You were tired and your love was growing cold
My love was growing stronger
As our affair, affair grows old

And I've been loving you just a little too long
Lord, I can't stop now, no, no

I've been loving you just a little too long
I don't wanna stop now, no no no, no no

I've been loving you, oh, ooh
I've been loving you, ah babe
Oh, oh, I've been loving you
