

# Just Like That

Marc Broussard

I try to say the words  
But they don't come out right  
It'd be much easier  
If you would just stay the night  
That look in your eye  
Has got me thinking something's wrong  
And just like that  
You're gone  
You're gone

How could I be so blind?  
How could I be such a fool?  
'Cause in this game of love  
There ain't no damn rules  
That look in your eye  
Has got me thinking something's wrong  
Then just like that  
You're gone  
You're gone  
Yeah

I treated you so good  
I gave you everything that I had  
Now give me one good reason  
Why I deserve to be treated this bad  
Oh that look in your eye  
Has got me thinking something's wrong  
And just like that  
You're gone  
Gone  
Gone  
You're gone  
You're gone  
Gone

I said if lovin' is the game  
Then you can, you can count me out  
I'm tired of being a fool  
I know what you're  
You're all about  
There's no surprise that the look in your eye  
Is telling me it might be time to move on  
And just like that  
And just like that  
Oh  
And just like that  
I'm gone

Said I'm gone [x15]
