

Lucky

Marc Broussard

I think it's a miracle
that you're layin' here, right by my side
Someone so beautiful
Long brown hair and your pretty green eyes
Maybe I've done something along the way
Sure seems someone's smiling down on me
And I'll never have to look for love again

So lucky I found you
So happy I'm with you
And honey I know that there's no mistakin'
I'm better with you
And I'm grateful, grateful, grateful
I got lucky with you

Sometimes it takes a while
and other times it comes naturally
But I took one look at you
I knew that you were meant for me
You know that I'm not gonna walk away
Be here tomorrow just like today
And I'll never have to look for love again

So lucky I found you
So happy I'm with you
Oh baby I know, there's no mistakin'
I'm better with you
And I'm grateful, grateful, grateful
I got lucky with you

It's such a simple thing
but it's so beautiful
that you're mine, I'm yours

I am so lucky I found you
So happy I'm with you
Oh baby I know that there's no mistakin'
I'm better with you
And I'm grateful, grateful, grateful

So lucky I found you
So happy I'm with you
Oh honey I know, there's no mistakin'
I'm better with you
And I'm grateful, grateful, grateful
I got lucky with you
