

The Wanderer

Marc Broussard

Dance for me sweetheart while I strum my guitar
You sure look pretty tonight
I've just come off the road and I could use the company
Now that would suit me just fine

Now I've seen a lot of special things around this world
You can see them too, you can
What's that you ask
I have no name, I have no name
For I am know only as man
For I am know only as man

I'm a wanderer I have no lace or time
I'm just drifting on this lonely road of mine
And if you like you can come along with me
But I promise you that I am not the man I use to be
But I promise you that I am not the man I use to be

Now you and I we've seen our share of ups and downs
Somewhere we just lost hope
I can't change the past but who cares
Your love is all I've ever known
Your love is all I've ever known

I'm a wanderer I have no place or time
I'm just drifting on this lonely road of mine
It you would accept me for me
Then I promise you that there's a better man inside of me
Yea I promise you there's a better man inside of me
Love I promise you there's a better main inside of me

Dance for me sweetheart while I strum my guitar
You sure you look pretty tonight
