I got 29 ways to make it to my baby's door I got 29 ways to make it to my baby's door And if she needs me bad I can find about two or three more

I got one through the basement Two down the hall
And when the going gets tough
I got a hole in the wall

I got 29 ways to make it to my baby's door I got 29 ways to make it to my baby's door And if she needs me bad I can find about two or three more

I can come through the chimney like Santa Claus Go through the window and that ain't all A lot of good ways I don't want you to know I even got a hole in the bedroom floor

I got 29 ways to make it to my baby's door I got 29 ways to make it to my baby's door And if she needs me bad I can find about two or three more

I got a way through the closet behind her clothes A way through the attic that no one knows A master key that fits every lock A hidden door behind the grandfather clock

I got 29 ways to make it to my baby's door I got 29 ways to make it to my baby's door And if she needs me bad I can find about two or three more
