

Life Goes On

Marc Cohn

Life Goes On
Without your father or your mother
Life Goes On
Without your sister or your brother
Life Goes On

Without your children down the line
The drum stays right in time
And Life Goes on. On.

Without Elvis, Without Jesus.
Life goes on
Without anything it pleases
Life goes on.

Without the beggar or the King.
Without every living thing.
Yeah, Life goes on.

Oh Yeah...

Without the movers and the shakers
Life Goes On...
Without the undertakers...
Life Goes On...

You might think it's gonna stop just because you're closing shop.
Life goes on...
Life goes on...
Life goes on...

Life Goes On
Without your father or your mother
Life Goes On
