

# Man Of The World

Marc Cohn

I want to be a man of the world  
With blood in my veins and a hurt in my heart  
Out in the street with the noise and the dirt  
And the ones still looking for a brand new start

Oh I've been sleeping far too long  
Hiding out in a palace of gold  
Show me one thing before I'm gone  
That can't be bought and can't be sold

Show me how to come alive  
Show me how to make you mine  
'Cause if you'd only be my girl  
I could be a man of the world  
Then I could be a man of the world
