Fallen angel, come to me Give me something to believe Before I turn on every vow Turn to me if you still know how

Spent my share of restless days Coal black suitcase, fall from grace All the while I was breaking down Turn to me if you still know how

I tried to tell you but I don't know how Every smile's turned upside down I'm a freak show in a one joke town So turn to me if you still know how

Change comes slowly
It's just a little hard to see
I know some of my demons
They're still haunting me, wanting me, yeah

Fallen angel, comfort me
Help me get back on my feet
'Cause I can't keep myself from falling down
I just can't keep myself from falling down
I keep falling down

So, turn to me if you still know how

I tried to tell you but I don't know how Every smile's turned upside down I'm a freak show in a one joke town So turn to me if you still know how
