

# Walk On Water

Marc Cohn

Let's go down to the sound tonight  
Tide is low and we can walk on water  
Reel me in under that starry light  
Just like a fisherman's daughter

Baby when the bands and the barkers go home  
They say that Venus she rises from out of the foam  
She dances on air and laughs at the moon  
And watches young lovers in fiery dunes

So are you willing to wait for the miracle  
Willing to wait it through  
Are you willing to wait for the miracle  
Or don't you believe they're true?

There's an old man sitting by the side of the pier  
He's got his cross and his camera and his bottle of beer  
He just sits all day and all through the night  
Praying for a vision or a Heavenly light

'Cause he's willing to wait for the miracle  
Willing to wait it through  
He's willing to wait for the miracle  
What else is he gonna do?  
What else is he gonna do yeah?

Now me I don't need no Heavenly sign  
'Cause I got the water and the wine  
But baby please let your love light shine  
'Cause we're all gonna meet our maker sometime

That's why I'm willing to wait for the miracles  
Willing to wait them through  
I'm willing to wait for the miracles  
But I just can't wait for you

Just can't wait for you  
Let's go on down to the sound tonight  
And walk on water, walk on water  
Walk on water, walk on water, walk on water
