

Love To Be Loved By You

Marc Terenzi

I can't believe I'm standing here
Been waiting for so many years and
Today I found the Queen to reign my heart
You changed my live so passiently
And turned it into something good and real
I feel just like I felt in all my dreams
There are questions hard to answer
Can't you see...

Baby, tell me how can I tell you
That I love you more than life
Show me how can I show you
That I'm blinded by your light
When you touch me I can touch you
To find out the dream is true
I love to be loved by you

You're looking kind of scared right now
You're waiting for the wedding vows
But I don't know if my tongue's able to talk
Your beauty is just blinding me
Like sunbeams on a summer stream and
I gotta close my eyes to protect me
Can you take my hand and lead me
From here please yeah...yeah...

Baby, tell me how can I tell you
That I love you more than life
Show me how can I show you
That I'm blinded by your light
When you touch me I can touch you
To find out the dream is true
I love to be loved, I need to be loved
I love to be loved by you

I know they gonna say our love's not strong enough to last forever
And I know they gonna say that we'll give up because of heavy weather
But how can they understand that our love is just heaven sent
We keep on going on and on cause this is where we both belong...

Baby, tell me how can I tell you
That I love you more than life
Show me how can I show you
That I'm blinded by your light
When you touch me I can touch you
To find out the dream is true
I love to be loved, I need yes I need to be loved
I love to be loved by you
Yes I love to be loved by you
