

Endless Nights

Marcos Hernandez

I don't want to see the light of day
I won't do nothin take my endless night away
I don't want to see the light of day
I won't nothin take my endless night away

It's just one of those nights
When You don't wanna be no where else in the world just you and your girl
It's just one of those nights
When all your problems just fly away it seems everythings gonna be okay
It's just one of those nights
Let's just ride away we got so much time to play
It's just one of those nights

Everytime I breathe in I feel these cold waves sort of sink in
And the sky is so clean and so blue I wanna jump in
Not quite too sure what it is but I'm thinking that I like it
I feel a change in the gravity are my feet on the ground cause I'm feelin li
ke I'm weightless
It's so un-re-al
It's so un-be-live-a-ble
I wanna know if this moment is true
Yes it is cause you're feeling it too

It's just one of those nights
When You don't wanna be no where else in the world just you and your girl
It's just one of those nights
When all your problems just fly away it seems everythings gonna be okay
It's just one of those nights
Let's just ride away we got so much time to play
It's just one of those nights

I second guess everything I know cause I've never know things to be this goo
d
If I could stay in this place forever and ever I would if I could
I'm right here the fine line between my dreams and my realities
A second feels like eternity and now I see my whole life with so much clarit
y
It's so un-re-al
It's so un-be-live-a-ble
I wanna know if this moment is true
Yes it is cause you're feeling it too

It's just one of those nights
When You don't wanna be no where else in the world just you and your girl
It's just one of those nights
When all your problems just fly away it seems everythings gonna be okay
It's just one of those nights
Let's just ride away we got so much time to play
It's just one of those nights

I don't want to see the light of day
I won't do nothing take my endless night away
I don't want to see the light of day
I won't do nothing take my endless night away

I don't want to see the light of day
I won't do nothing take my endless night away

I don't want to see the light of day
I won't do nothing take my endless night away

It's just one of those nights
When You don't wanna be no where else in the world just you and your girl
It's just one of those nights
When all your problems just fly away it seems everythings gonna be okay
It's just one of those nights
