

# Hey You

Marcus & Martinus

There's something in the way you walk  
Everyone can see but, you don't know  
How you make me feel girl  
I'm chasing daylight to get you by my side  
I need to know, what can I do?

Hey you, do you know you got me going out of my mind  
Your love makes me blind  
Hey you, I wanna make it up to you if I fake it right  
You love me tonight  
Hey you (you-you-you)  
Hey you (you-you-you)  
So if you want me girl  
I wanna hear you say  
You (you-you-you)

What's on your mind  
I wanna know if you and I could become one  
We're chasing daylight, running them red lights  
We both know, so let's run away

Hey you, do you know you got me going out of my mind  
Your love makes me blind  
Hey you, I wanna make it up to you if I fake it right  
You love me tonight  
Hey you (you-you-you)  
Hey you (you-you-you)  
So if you want me girl  
I wanna hear you say  
You (you-you-you)

Hey you, do you know you got me going out of my mind  
Your love makes me blind  
Hey you, I wanna make it up to you if I fake it right  
You love me tonight

Hey you (you-you-you)  
Hey you (you-you-you)  
So if you want me girl  
I wanna hear you say  
Hey you (you-you-you)  
I wanna hear you say you  
Hey you
