

# I Don't Wanna Fall In Love

Marcus & Martinus

Strangers think, love can seem so easy,  
When it's just a fling,  
And nothing comes for free, girl.

You got me going crazy, baby you amaze me.  
I'm on my knees, I'm begging you girl, please don't go.

Don't want to think about ya,  
You know I'm not about ya,  
Don't want to think about ya.  
[x2]

I don't wanna fall in love.  
I heard it can be dangerous.  
But I don't wanna let you go,  
So I'm betting on the two of us.  
We jumped in together, got nothing to lose.  
I don't wanna fall in love,  
But I'm feeling safe here with you.

You got it wrong, loving me when I hurt you,  
Play along, imagine what we can do.

I might be going crazy, baby you amaze me.  
I'm on my knees, I'm begging you girl, please don't go.

Don't wanna think about ya,  
You know I'm not about ya,  
Don't wanna think about ya.  
[x2]

I don't wanna fall in love.  
I heard it can be dangerous.  
But I don't wanna let you go,  
So I'm betting on the two of us.  
We jumped in together, got nothing to lose.  
I don't wanna fall in love,  
But I'm feeling safe here with you.

Na-na-na-na, na-na you got me going [x4]

(I don't wanna fall in love)  
I don't wanna fall in love.  
I heard it can be dangerous (could be dangerous).  
But I don't let you go,  
So I'm betting on the two of us.  
We jumped in together, got nothing to lose (nothing to lose).  
I don't wanna fall in love, but I'm feeling safe here with you.  
Safe here with you  
We jumped in together  
Got nothing to lose  
I don't wanna fall in love, but I'm feeling safe here with you.
