

## If Only For One Night

Marcus Miller

Let me hold you tight, if only for one night  
Let me keep you near to ease away your fears  
It would be so nice if only for one night

I won't tell a soul, no one has to know  
If you want to be totally discreet  
I'll be at your side if only for one night  
Yeah, yeah, if only for one night

Your eyes say things I never hear from you  
And my knees are shaking too  
But I'm willin', willin' to go through  
I must be crazy standin' in this place  
And I'm feelin' no disgrace for askin'

Let me hold you tight if only for one night  
Let me keep you near to ease away your fears  
It would be so nice if only for one night  
Yeah, yeah, if only for one night

I tell you what I need one night, one night  
Baby, and that's all I need is one night, one night  
Oh, baby one night, yeah  
Of your love, of your love, of your loving

I'm asking, let me hold you tight if only for one night  
Let me keep you near, ease away your fears  
It would be so nice if only for one night  
If only for one night, night
