

# Blackbird

Marcy Playground

Blackbird came to me  
She sang her melody,  
Yeah she sang,  
I promise you I won't fly away  
Blackbird tell no lies  
Blackbird you caught my eye,  
But the Raine  
Has taught me that you will fly away,  
Just as soon as the skies turn grey

Thank you Raine...  
Thank you Raine...  
Wash away all my pain  
Every time I call your name

Blackbird in my pie  
Beautiful clouds,  
Beautiful skies today  
You'll chase them until your dying day

Thank you Raine...  
Thank you Raine...  
Wash away all my shame  
Every time I call your name

When I'm sad you soothe my soul  
You give love like it's easy, yeah  
Come this springtime  
All your seeds they grow,  
When Blackbirds come and go

Blackbird... tell no lies  
Blackbird... tell no lies  
Blackbird... tell no lies  
Blackbird... tell no lies  
Thank you Raine for clearing my eyes
