## **Marcy Playground**

Oh I saw stars falling all around her head Red, gold, and blue Sherry Fraser where areyou `Cause I saw stars fallingall around your head When we were young Sherry Fraser where haveyou gone We're all wondering When will you come back And play...some day Sherry yeah The mad hatter he waits for Alice To come to tea again He waits forever for his old lover And always wonderin` Will I see stars falling all around your head When you return Sherry Fraser what have you learned And we're all wondering When will you come back And play...some day And please do come back And play...some day Please do come back And play...some day Sherry yeah
