

# Damnation's Gold

Marduk

Gold moon - Sun of silver  
See the fallen string their bows  
Another dart from reason's quiver  
Again the eyes of madness glow

Curse on curse - Voice of fire  
See the width of Hell expand  
Knotted whips of flaming wire  
Dancing upon the back of man

Doomsday embers  
Damnation's spread  
The Dark embodies  
Death stands prepared

Ascend - Awake - Arise  
O Ye Flames of Perdition  
Havoc - Ravage - Demise  
Damnation's Gold

Judgement materialized  
The flames converge  
Behold Desecration  
take form and emerge

Ascend - Awake - Arise  
O Ye Flames of Perdition  
Havoc - Ravage - Demise  
Damnation's Gold

Shoreless seas of hallowed quicksand  
No redemption - No way up  
Accept the imperious yoke of Satan  
And drink now from Damnation's cup
