On silent wings through the darkness of aeons he comes driven by bloodlust and craving for unholy passion ecstatic for wicked slave abuse he enters your world

the beast in him is always awake and ready to strike at will cast out from the heaves he commits sins which makes angels turn their heads

he is the commander of the 7th compartment of the underworld and deep down in the core of your soul you know that you want h im

```
could you ever picture death
to excite you 'til sanity's end and make you loose your breath?
groans of pleasure - demonacy
your orgasm - ecstacy

twisting, turning, crying, praying, screaming, dying, blood is
spraying
death sex ejaculation !
```

as so many times before he stumbles through the garden of life ascending from the firey pits with intention to kill again for those who dares tasting this body all seal their fate in blood

sweat, blood and tears makes the spirit and flesh join as one his name silence people in fear and tonight it's the one you ad ore to cry out

he penetrate you so deep that he'll never come out again death is out riding the sky and tonight he comes for you
