

Serpent Sermon

Marduk

Our mastema is vast - even in the house of God
Ever present - within and so without

Reversed life-force channeled
into prayers of blame
and fork-tongued glory

Guileless doctrine turned - into teachings
on how to love The Lie
on how to love The Lie

Psalms of venom - Slithering saints
Serpent Sermon - Serpent Sermon
Psalms of venom
Serpent Sermon - Serpent Sermon

Our mastema is great - even on the preacher's tongue
Ever moving - above and so below

Reversed life-force channeled
into prayers of blame
and fork-tongued glory

Guileless doctrine turned - into teachings
on how to love The Lie
on how to love The Lie

Psalms of venom - Slithering saints
Serpent Sermon - Serpent Sermon
Psalms of venom
Serpent Sermon - Serpent Sermon

Our mastema runs deep - even in the veins of the Lamb
Ever active - within and so without
