

Totalitarian command !

Wartheland - the soil bleeds black again  
Expelled - Polish exodus

Wartheland  
Thrusting the sickle through flesh  
Through blood-drenched fields of mud  
Wartheland  
Oppression's hand reaches forth

Totalitarian command !  
Plow and sword  
Proclaiming repression with force  
Blood and soil mixed as one  
Ending expression once more

Wartheland  
Commanding the fate of those  
About to die in dirt  
Wartheland  
Conquerors crown to become  
A funeral wreath

Seeds of blood  
Succumb to the domination  
Seeds of hate planted deep  
Relentless Germanisation

Wartheland  
Thrusting the sickle through flesh  
Through blood-drenched fields of mud  
Wartheland  
Oppression's hand reaches forth

Totalitarian command !
