

I Testify

Margaret Becker

I know the truth about You
And how You feel about me
I know the price that You paid
To hide the secrets I keep
And I know what it means
I know what I must do

I testify, Your love is true
This I know 'cause I've been moved
I testify, Your love is real
This I know 'cause I've been healed

I know the walk that You took
I know the crown that You wore
I know the blows that You felt
And it makes me love You even more
And I've got nothing to give You
Nothing but this cry

I testify, Your love is true
This I know 'cause I've been moved
I testify, Your love is real
This I know 'cause I've been healed

And this love won't be denied
And that's why

A red river of pain
You took it without a sound
I know You took it in my name

I testify, Your love is true
This I know 'cause I've been moved
I testify, Your love is real
This I know 'cause I've been healed

I testify, Your love is true
This I know 'cause I've been moved
I testify, Your love is real
This I know 'cause I've been healed

This I know 'cause I've been moved
This I know 'cause I've been moved
This I know 'cause
