

# I Wouldn't Know

Margaret Becker

If I didn't know  
What You'd done for me  
If I didn't know  
How hard You'd look  
If I didn't know  
How far You'd come for me  
I'd never know  
What love took  
Well I've seen a lot of things that look like love  
But compared to You, they don't look good enough

## CHORUS

I wouldn't know what love is  
I wouldn't know what love is  
I wouldn't know what love is  
Without You, without You  
I wouldn't know what love is  
I wouldn't know what love is  
I wouldn't know what love is  
Without You, love is  
Without You, love is  
Without You, love is

If I didn't feel  
Your hands brush my soul  
If I didn't hear  
You call my name  
If I didn't fall  
Right into Your arms  
I'd never know  
What love could change  
Well I hear You hum, I feel You breathe  
I feel the same heart beating in You and me

repeat Chorus

I know that I've touched Your heart with my soul  
And that is the truth that will not let me go

repeat Chorus
