

# Til My Feet Don't Move

Margaret Becker

Never thought it could happen to me I  
Pray, I pray, I  
Run out of words when I try to speak I  
Pray, I pray, I  
Lift my hands but that just won't do  
There's a choir of love burning in my shoes

I'm gonna dance until my feet don't move  
I can't help myself  
This dance is in honor of You  
You and no one else

Holy steps in privacy I  
Pray, I pray, I  
I lift my heart, You move my feet  
And I feel all heaven move with me

I'm gonna dance until my feet don't move  
I can't help myself  
This dance is in honor of You  
You and no one else  
Sweet communion and total bliss  
I am so excited that it has come to this  
I'm gonna dance until my feet don't move

Day to day  
The dance lives on  
Human praise  
To a holy song
