

Your such a goof
When you try to act cool
But your stumbling ways
Is kinda working for me
Your ridiculous smile
Gives me sweet butterflies
So can you come a little closer
And whisper sometjing nerdy to me

You make me L O L
Dancing by yourself
You don't know what to do
And I am think it's L O V E
Don't you agree
I bet you don't have a clue
And I don't mind you fumbling over me
You make me L O L
Dancing by yourself
So come and whisper something nerdy to me

Your too quiet and shy
Won't you step in the light
I've got something in mind
For our saturday night
You can jump in my car
An I will show my repertoire
But only if you come over
And whisper something nerdy to me

You make me L O L
Dancing by yourself
You don't know what to do
And I am think it's L O V E
Don't you agree
I bet you don't have a clue
And I don't mind you fumbling over me
You make me L O L
Dancing by yourself
And whisper sometjing nerdy to me

Talk talk nerdy to me!

You make me L O L
Dancing by yourself
You don't know what to do
And I am think it's L O V E
Don't you agree
I bet you don't have a clue
And I don't mind you fumbling over me
You make me L O L
Dancing by yourself
And whisper sometjing nerdy to me
