

Quiet Nights of Quiet Stars

Margaret

Quiet nights of quiet stars
Quiet chords from my guitars
Floating on the silence that surrounds us

Quiet thoughts and quiet dreams
Quiet walks by quiet streams
And the window lookin' on the mountains and the sea
How lovely

This is where I wanna be (This is where you are)
Here with you so close to me (Close to me)
Till the final flicker of life's ember (of life's ember)

I who was lost and lonely
Believing love was only
a bitter tragic joke
Have found with you (I found with you)
the meaning of existence, my love

Quiet nights of quiet stars
Quiet chords from my guitars
Floating on the silence that surrounds us

Quiet thoughts and quiet dreams
Quiet walks by quiet streams
And the window lookin' on the mountains and the sea
How lovely

This is where I wanna be
Here with you so close to me
Until the final flicker of life's ember

I who was lost and lonely
Believing love was only
a bitter tragic joke
Have found with you
the meaning of existence, my love
