

# Heartache

Maria Arredondo

I'm about to go crazy, i don't know what to do  
Coz I can't get you out of my mind.  
And my heartbeat is raising when I see you at school,  
and I guess I'm in trouble this time..

You don't know how I'm feeling, you don't know who I am.  
And I don't know if you understand.

When i see you walk by there's a sting in my heart,  
because I've been in love with you right from the start.  
But it's not a big deal it's just something I feel.  
It's just a little heartache, just a little heartache of mine..

All I want is to hold you, all i need is to know,  
all I yern for one plaid of sign.  
But I don't dare to tell you and I'm to shy to call,  
so I guess I'm in trouble this time.

You don't know how I'm feeling, you don't know who i am.  
And I don't know if you understand.

When I see you walk by there's a sting in my heart,  
because Iv'e been in love with you right from the start.  
But it's not a big deal, it's just something I feel.  
It's just a little heartache, juat a little heartache..

But whenever I'm lonely and whenever I'm down,  
and whenever I'm on my own.  
I pretend you can hear me, I pretend that you're mine,  
When I open my eyes you're gone!

When I see you walk by there's a sting in my heart,  
because Iv'e been in love with you right from the start.  
But it's not a big deal, it's just something I feel.  
It's just a little heartache, just a little heartache..

When I see you walk by there's a sting in my heart,  
because Iv'e been in love with you right from the start.  
But it's not a big deal it's just something I feel.  
It's just a little heartache, just a little heartache of mine..
