

Some Hearts

Maria Arredondo

I've never been the kind that you'd call lucky
Always stumbling' around in circles
But I must have stumbled into something
Look at me
Am I really alone with you
I wake up feeling like my life's worth living
Can't recall when I last felt that way
Guess it must be all this love you're giving
Never knew never knew it could be like this
But I guess
Some hearts
They just get all the right breaks
Some hearts have the stars on their side
Some hearts,
They just have it so easy
Some hearts just get lucky sometimes
Some hearts just get lucky sometimes

Now who'd have thought someone like you could love me
You're the last thing my heart expected
Who'd have thought I'd ever find somebody
Someone who someone who makes me feel like this
Well I guess

Some hearts
They just get all the right breaks
Some hearts have the stars on their side
Some hearts,
They just have it so easy
Some hearts just get lucky sometimes
Some hearts just get lucky sometimes

Even hearts like mine
Get lucky, lucky sometimes

Some hearts
They just have it so easy
Some just get lucky some times
They just get all the right breaks
Some hearts have the stars on their side, yes
Some hearts,
They just have it so easy
Some hearts just get lucky sometimes
Some hearts just get lucky, lucky sometimes
I'm not the kind of girl that you'd call lucky
I'm not the kind of girl that you'd call lucky
