

With Hope

Maria Arredondo

This is not at all how we thought it was supposed to be
We had so many plans for you we had so many dreams
And now you've gone away and left us with the memories
of your smile
And nothing we can say and nothing we can do can take
away the pain
The pain of losing you

But we can cry with hope we can say goodbye with hope
Cause we know that our goodbye is not the end
And we can grieve with hope cause we believe with hope
There's a place where we'll see your face again

And never have I know anything so hard to understand
And never have I questioned more the wisdom of God's
plan
But through the cloud of tears I see the father's smile
and say well done
And I imagine you where you wanted most to be seeing
all your dreams come true
Cause now you're home and now you're free

But we can cry with hope we can say goodbye with hope
Cause we know that our goodbye is not the end
And we can grieve with hope cause we believe with hope
There's a place where we'll see your face again we'll
see your face again

Say goodbye
We have this hope as an anchor
Cause we believe that everything
God promised us is true

So we can cry with hope we can say goodbye with hope
Cause we know that our goodbye is not the end
And we can grieve with hope cause we believe with hope
There's a place where we'll see your face again we'll
see your face again
