

## Life Is Sweet

Maria McKee

This one is for the girl who says she's unlucky in love  
You deserve to have the world at your feet  
And if one person, one many could be enough  
Then I wish it could be me  
I wish it could be me  
This one is for the boy whose daddy never had the time for him  
Wish I could build you a little house for you to hide in  
And give you back your summers  
I'd give you back all your summers  
You still have summers

Life is sweet life is sweet life is sweet  
Bittersweet  
And the days keep rollin' along

This one is for the girl who says those voices in her head  
Never leave her alone  
Don't listen to your teacher, you're not crazy  
Just smarter than the rest of them  
Paint a picture  
Write a song  
Tell your story  
Bang a gong...

Life is sweet life is sweet life is sweet  
Bittersweet  
And the days keep rollin' along

This one is for the boy who's not allowed to be part of the gang  
You don't need those losers I think you're beautiful  
And you meet a girl and you fall in love and it doesn't work out  
Well it won't be the first time and they don't make a cure for that  
So you eat your breakfast  
Read a book  
Open up your window  
Be alone...

Life is sweet life is sweet life is sweet  
Bittersweet  
And the days keep rollin' along
