

# My Friend Foe

Maria McKee

I gave up on blood today  
He was my friend 'till the end, but I turned him away  
He was blue under you, but you couldn't keep him in  
You're too thin, my friend skin

I gave up on skin today  
She was my friend 'till the end, but I turned her away  
He was pumping through me, but I had to set him free  
He's a stud, my friend blood

And it's all of my life  
Friend and foe  
Feel alive  
How was I, how was I to know?

I gave up on hope today  
She was my friend 'till the end, but I turned her away  
She was shining so bright, that she gave me a fright  
She's insane  
Too much fire 'round the brain

Which reminds me of how your body feels  
When you're coming down with a cold  
More frequently now, I'm getting older  
And I'm never gonna let you go  
I'm never gonna let you go  
Never gonna let you go

I'm never gonna let you go  
I'm never gonna let you go (more frequently now)  
I'm never gonna let you go (more frequently now)  
I'm never gonna let you go (more frequently now)  
Never gonna let you go (more frequently now)  
Never gonna let you go (more frequently now)  
(More frequently now)  
(More frequently now)
