

My Girlhood Among The Outlaws

Maria McKee

My girlhood among the outlaws
Was salty, bittersweet
The things I did, I could just kick myself now
Through nights of lousy dreams

As visions gather in my head
I find it hard to live with the things I did and said
But for you, my friend
I'd live it all again and love you in the end

Anything for you, baby, anything for you
If it took those years to get me here
I'd do it again for you

I took a leap of faith and I stumbled
I tried to live outside grace and I was humbled
But I'd like to bet if I live to fear regret
Then we never would've met

Hey, anything for you, baby, anything for you
If it took those years to get me here
I'd do it again for you

So here we are and I don't know what to call it
Cause love, love is such a funny promise
Commitment is impossible, forever is a lie
But that still leaves you and I

Hey baby, anything for you
If it took those years to get me here
I'd do it again for you

Oh baby, baby, baby, anything for you
If it took those years to get me here
I'd do it again, do it again

Do it again, do it again
I'd do it again, do it again
Do it again
