

I've been walking around all day, thinking
I think I have a problem, I think I think too much
I've been taught to hold back my tears and avoid them
But you've made pain into something I could touch

I've been walking around all day, laughing
Think I'd be better off without you here
And I bet you are sweet and hard to get over
So I'll cry and people will stop and stare
Now that's ok, let them stop and stare...

Coz I am fragile
I am hopeless
I'm not perfect
But I am free...

I've been walking around all day, waiting
And waiting is all I seem to do
'cause I never get it unless I'm fed it
But this time I'll just have to
Yeah this time I'll just have to...

And I am fragile
I am hopeless
I'm not perfect
But I am free...

Say you're not around... am I finished?
If you're not around that's too bad
Hope you're safe and sound, not alone now
'cause you know I believe in you...

I am so fragile
I am so hopeless
I'm not perfect
But I am free...

And I am fragile
I am hopeless
I'm not perfect
But I am free...

Cos I am fragile
I am hopeless
I'm not perfect
But I am free
