

## Miss You Love

**Maria Mena**

I've run out of complicated theories  
So now I'm taking back my words  
and I'm preparing for the breakdown  
Your t-shirt's lost its smell of you  
and the bathroom's still a mess  
remind me why we decided this was for the best

Because I miss you love  
I miss you love  
I miss you love  
I miss you love.
