

Pale People

Maria Mena

I know it's time for me to grow up
And I know my head's somewhere else but give me a break
I never done this before
And somewhere in between I'm feeling lonely
You wouldn't have a friend that I could borrow?
'Cause I know there's a lot of nothing around here

I know it's been awhile should've called u
And I know that you fit in but I'm not you
And somewhere in the middle I go crazy
Do you know somebody who cares?
'Cause I know there a lot of nothing around here

Hey, hey you
I'm surrounded by pale people
Hey, hey you
I think I'm fading too...

Hey, hey you
I'm surrounded by pale people
Hey, hey you
Think I'm fading too ...

I know there's gotta be a way to make him get me
I know sometimes I don't get myself at all
And some place on the sun there is a black spot
Do you know the weatherman too?
'Cause I know there's a lot of nothing around here

Hey, hey you
I'm surrounded by pale people
Hey, hey you
I think I'm fading too...

Hey, hey you
I'm surrounded by pale people
Hey, hey you
Think I'm fading too...

There you go trying to teach me the lesson you learn
Don't you know, I already tried that
And I got burned...

Hey, hey you
I'm surrounded by pale people
Hey, hey you
Think I'm fading too...
Hey, hey you
I'm surrounded by pale people
Hey, hey you
Think I'm fading too...

Hey, hey you
I'm surrounded by pale people
Hey, hey you
Think I'm fading too...

Hey, hey you
I'm surrounded by pale people
Hey, hey you
Think I'm fading too...
